RE: Let Lubbock Vote Political Action Committee Announces Launch of 60-day Petition Effort

LUBBOCK, TX— The Let Lubbock Vote specific purpose Political Action Committee (PAC) announced today (Oct. 1) that the 60-day petition signing period to allow Lubbock county citizens the right to vote on the issue of alcohol sales has begun.

Texas Petition Strategies, a firm the PAC has hired with a 100 percent success rate for meeting petition signing goals, will be at various retail locations throughout the next 60 days in bright yellow shirts collecting signatures for the two county-wide petitions. A minimum of 18,747 signatures of registered Lubbock county voters are required on each petition. The petitions read as follows: “the legal sale of all alcoholic beverages for off-premise consumption only” and the second petition reads “the legal sale of mixed beverages in restaurants by food and beverage certificate holders only.”

Petitions may be signed through the end of November. Signing locations, as well as volunteer opportunities and how to financially contribute to the Let Lubbock Vote effort are available at www.letlubbockvote.org. Let Lubbock Vote is a volunteer led PAC with David George serving as Chairman and Martha York serving as Treasurer, and it is solely funded by voluntary contributions from individuals and businesses.
