**RE: Let Lubbock Vote - No Confirmed Signature Numbers, But A Great Show of Support Last Week**

LUBBOCK, TX—Petition signing to allow Lubbock County citizens the right to vote on a local option alcohol sales election was in full force since last Wednesday with Texas Petition Strategies (TPS) collecting signatures at numerous retail outlets. Although, TPS and Let Lubbock Vote do not have a confirmed number of signatures, as signatures have to go through a validation process, the turnout to sign the petitions has been better than anticipated.

“The feedback and turnout we have seen so far is a testament that Lubbock County residents do want the opportunity to vote on this issue,” said Let Lubbock Vote Chairman David George. “We look forward to another great turnout this week.”

Let Lubbock Vote will provide progress updates on the petition signing. Petitions are available for signing at the four WalMarts, Sam’s Club, area 7-11s, county-wide Fast Stops, Chisum Travel Center at 2611 East Slaton Road or the Lubbock Chamber of Commerce at 1301 Broadway, Suite 101, Monday – Friday from 8 a.m. – 5 p.m. Let Lubbock Vote also is accepting contributions at [www.letlubbockvote.org](http://www.letlubbockvote.org).
